

# MOMS Slogans for October 28<sup>th</sup> Day of Action

The following are just suggestions – feel free to improvise

- Keep it direct, but clean & respectful, non-partisan, no Olympics references
- One sign or slogan can't say it all – consider each one as part of an overall group message
- Keep it brief, with **Big Bold** letters & Upper/Lower Case or BIGGER CAPS starting each word
- Consider using red octagons (Stop sign shape) for signs with a Stop Cuts! message
